
IMPORTANT TERMS OF OUR SPENCERFLEX HOME EQUITY LINE OF CREDIT

Retention of Information: This disclosure contains important information about our Home Equity Line of Credit. You should read it carefully and keep a copy for your records.

Availability of Terms: All of the terms described below pertain to applications received as of November 8, 2021 for lines secured by owner-occupied 1-4 family properties and are subject to change.

If these terms change (other than the annual percentage rate) and you decide, as a result, not to enter into an agreement with us, you are entitled to a refund of any fees you paid to us or anyone else in connection with your application.

Security Interest: We will take a mortgage on your home. You could lose your home if you do not meet the obligations in your agreement with us.

Possible Actions: We can terminate your line and require your to pay us the entire outstanding balance in one payment if:

- You engage in fraud or material misrepresentation in connection with the line.
- You do not meet the repayment terms.
- Your action or inaction adversely affects the collateral or our rights in the collateral.

We can refuse to make additional extensions of credit or reduce your credit limit if:

- We reasonably believe that you will not be able to meet the repayment requirements under this Account due to a material change in your financial circumstance.
- The value of the dwelling securing the line declines significantly below its appraised value for purposes of the line.
- You are in default of a material obligation in the agreement.
- Government action prevents us from imposing the annual percentage rate provided for or impairs our security interest such that the value of the interest is less than 120 percent of the credit line.
- A regulatory agency has notified us that continued advances would constitute an unsafe and unsound practice.
- The maximum annual percentage rate is reached.

The initial agreement permits us to make certain changes to the terms of the agreement at specified times or upon the occurrence of special events.

Minimum Draw Requirements: The minimum credit advance that you can receive is \$250.

Minimum Payment Requirements: You must pay at least the "Minimum Payment" for each billing cycle by the "Payment Due Date" showing on your monthly statement. Your payments will be due monthly as follows:

The Draw Period: You can obtain advances for 10 years (the "Draw Period"). During the "Draw Period" your monthly minimum payment will equal the greater of 1/240th of your principal balance or \$50.00 plus finance charges that have accrued and any other charges permitted by your agreement.

The Repayment Period: After the "Draw Period" ends, you will no longer be able to obtain advances and must continue to repay the outstanding balance. The minimum payment will continue to be calculated in the same manner as during the draw period.

Conversion Option:

A. You will have the option to fix the Interest Rate on a portion of the outstanding principal balance by delivering a written "Conversion Request" to us along with payment of a conversion fee. The "Conversion Request" will specify the dollar amount that you choose to convert, but not less than \$25,000. On the date that the conversion option is received by us, the rate and payment of the converted balance will be established based on a 15 year amortized loan at the posted Spencer Savings Bank 15 year fixed home equity loan rate in effect on said date. We may take up to two statement cycles before the conversion is implemented. You will not have this option should you be in default of your Note & Agreement.

B. The amount of the available line will be reduced by the converted balance, and will increase back up to the original line as payments are made.

C. You may exercise this Conversion Option up to 5 times during the life of the draw period, and that up to 3 of the converted balances may run concurrently.

D. Should you choose to convert a balance to a term LESS THAN 15 years then the "Conversion Request" will be subject to re-underwriting based on the then current income and debt which must be re-verified.

E. The fixed rate principal and interest loan payment of the converted loan balance will be calculated by us, and billed monthly as part of my regular credit line billing statement. This fixed principal and interest payment will be part of the total minimum payment due.

Minimum Payment Example: If you made only the minimum payments and took no other credit advances; it would take 16 years and 8 months to pay off a credit advance of \$10,000 at an ANNUAL PERCENTAGE RATE of 3.25%. During that period, you would make 200 payments varying between \$76.71 and \$50.13.

FEES AND CHARGES:

Application Fee: You must pay us a non-refundable application fee: The Application Fee for all lines of \$150,000 or less (1-4 family properties) is \$150.00. The Application Fee for lines between \$150,001 and \$249,999: 1 family property \$225.00; 2-4 family property \$450.00. Applications of \$250,000 or more: 1 family property \$300.00; 2-4 family property \$450.00 (lines of \$250,000 or more secured by properties in excess of 2,800 square feet will be charged a \$500.00 Application Fee). We lock in your program on the day the application is received, should the program change and you wish to "unlock" a \$125.00 fee will be charged. From time to time the Bank may waive or reduce these fees for New Customers (see Fee Schedule for additional information). You will also be required to pay a Commitment Fee in the amount of \$150.00 (this fee will be waived if at least \$25,000 is drawn at closing to pay creditors other than Spencer Savings Bank). In addition to these fees, all customers must carry insurance (including flood insurance if required) on the property that secures the line.

Minimum Draw Violation Fee: If you write a credit advance for less than the minimum draw requirement or in excess of your available credit you will be charged \$35.00 and the credit advance may be returned.

Conversion Fee: The Conversion Fee shall be \$75.00 UNLESS the conversion takes place before the first anniversary of the line being opened in which case it shall be \$125.00.

Early Termination Fee: If my line is closed out less than two years from the date of the note I will be charged 2% of the original line if it is \$15,000 or less, \$300.00 if the original line was above \$15,000 up to \$100,000, or \$500.00 if the original line was more than \$100,000.

Tax Deductibility: You should consult a tax advisor regarding the deductibility of interest and charges for the line.

Appraisal Disclosure: We may order an appraisal or obtain a valuation to determine the property's value and may charge you for this appraisal. If your loan is in a first lien position, then we will promptly provide you a copy of any appraisal/valuation upon completion, even if your loan does not close.

SpencerFlex HELOC PROMO Disclosure

Variable Rate Information: Your rate will be fixed at 2.49% for 24 months after which the line has a variable-rate feature, and the annual percentage rate (corresponding to the periodic rate) and the minimum monthly payment can change as a result. The annual percentage rate includes only interest and not other costs. The annual percentage rate is based on the value of an index subject to a 3.25% Floor Rate. The index is the PRIME RATE published in the **WALL STREET JOURNAL** "Money Rates" table as published on the last business day of each month. If more than one prime rate is published, the index is the highest of these rates. Ask us for the current index value, margin, discount or premium, and annual percentage rate. After you open a credit line, rate information will be provided on periodic statements that we will send to you.

Rate Changes: The annual percentage rate can change each month. The maximum ANNUAL PERCENTAGE RATE that can apply is 13.99%. The minimum ANNUAL PERCENTAGE RATE (FLOOR RATE) is 3.25% starting in the 25th month.

Maximum Rate and Payment Example: If you had an outstanding balance of \$10,000, the minimum monthly payment at the *maximum* ANNUAL PERCENTAGE RATE of 13.99% would be \$164.99. This ANNUAL PERCENTAGE RATE could be reached in your 25th month.

HISTORICAL EXAMPLES: The table shows how the annual percentage rate and the minimum monthly payments for a single \$10,000 advance would have changed based on changes in the index over the past 15 years. The index values are from the last business day in June of each year. While only one payment amount per year is shown, payments would have varied during the year. The table assumes that no additional credit advances were taken, that only the minimum payments were made, and that the rate remained constant during each year. It does not necessarily indicate how the index or your payments will change in the future.
